In this section, we are going to introduce you to one of the coolest things to travel. Whether you are traveling by car or boat, you don't need a map so you don't lose your trip. This means you need more than just a GPS to keep you informed where you are going. You will need a map. And we're not just talking about a map, but a navigation map for your phone. We have one of these phones that can give you a lot of fun.
