The moment that you are hit by the virus and are powerless, your soul disappears. You can't even use a weapon to kill yourself or to kill others. The cry of pain becomes a distant echo within you. When your soul becomes weak, your body becomes weaker as well, and you can't fight or move around. This is when the Elden will lead you. The Elden are strong and skilled servants of the gods. Once you are led, you will be given a new body, and your memories and skills will be transferred over to the new body. You will be reborn and your power will be given to you. This is

Story I swear to protect the lands of the Elden Ring, as told by the Loa of the Elden Ring. Technology/Magic The left hand was given to the Elves The right hand to the Dwarves The crown to the Humans Lands Between Very few people know of this land. No one has managed to enter it. But, even if they don't know of its existence, the people of the Elden Ring and Elden Lords maintain contact with it as a matter of routine. What is known is this: although they are called Elden, Elves and Dwarves are both humanoids and Humanoids and Elves and Dwarves are both humanoids and 2. New Fantasy Action RPG Gameplay System • Action RPG Elements By understanding the importance of action in RPG games, the game system was created to incorporate the action elements of RPGs into every aspect of the game. - Action RPG There are action elements in the game because the game is an action RPG (you can try actions like slash etc.). - Strategic Action Through the strategic action elements in the game, you can see the strategy of RPG during battles. - Superior Action In order to create an excellent action game, the elements that make an action game are incorporated into the strategy of the game. This includes, but not limited to: - Balanced Action - Short, Quick Battles - Custom Actions - Multiple Action Patterns - A Suitable Pairing of Action and Strategy In the development of the game, as you select your class, you can adjust the strategy and action of your game. - Fight with the Elden Ring and defend against Nature's Wrath You are a member of the party of the Elden Ring and the situation of your castle has become grave. The key to avoiding destruction is to unite with the other members of the party. If there are too many enemies, then there will be an enemy that will not be easily defeated. We have not yet discovered the mystery that is the current situation, but fortunately, we have built up a great power. - Become an Elden Lord You are the leader of the party and the strongest in the land. The power of the lands in your hand, and even those of the people, are nothing more than an instrument of the Loa of the Elden Ring. What will be the future of your party?

Title : Altemait'S Guide to Playing as Tarnished Knight Description : THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.

- **A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- **Create your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- **An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

Penn State and a top university fitness expert are upset about Halloween—not the holiday, but the name of a costume that they are angry doesn't list calories. According to Coskata—a Boston-based company that sells trick-or-treating costumes that are part of its larger line of collectible non-food Halloween costumes—a “Halloween Skirt” retails for \$30.99. Penn State's, on the other hand, sells costumes for \$49.99. On it, is a warning that while the costumes depict a person in a particular costume, they aren't just costumes and list calories, as well as other nutritional information. In the comments, Penn State wrote, “We want your business and for you to participate in our #HealthyHappy campaign, which encourages positive eating and a healthy attitude towards food. Halloween should be a time of fun, not food-related shame. We hope you honor our request, and look forward to seeing you at a future official PSU event (if you choose).” Coskata's CEO recently told TIME that their company has no issue with the university that makes

The problem is that I don't know how to remove the first element in the list of strings. I want only the first item that is in the list to be removed. It should be possible to do this for the case where I have an empty list too but I'm not sure how to handle that case at all. public static void main(String[] args) { List list = new ArrayList(); list.add("test"); list.add("test2"); list.add("test3"); list.remove(); } How to remove the first element? A: Use the Collection.remove() method to remove the first element from the list. list.remove(0); However if you want to remove an element from a list (which is not empty) based on it's position, this approach won't work. If you only want to remove the first element the way that you are, then you should do something like: int index = list.indexOf("test"); list.remove(index); A: You can also use the remove() method on the List list.remove(0); 2014 was a big year for Knight Man. We had our second vinyl release on Critical Hit Records, our first EP for Code Chi-Lit Records, which was later followed up by an EP for our own label, Virto Records. We released 2 EPs (in 2014 alone) that featured 12 artists who all shared the inspiration of finding their voice in electronic music. At the same time, Knight Man also took the time to develop our concept, which is to move from being a
