Under the command of bosses called the Elden, who alone have not been defeated in the history of the world, this city is filled with a variety of monsters and anomalies, and is said to be hidden in an unconquerable fortress called the Hollow Thicket. The innocent citizens who live within the city are trapped in this hell, but not even the extreme Elden could not conquer it. However, the heroic knights who quest for the Legendary has begun. Players will be able to see the Dusk Gate City through Dawn's Adventure, a revolutionary action RPG featuring dynamic VR that lets players participate in head-to-head battles. Discover the original story written by Yasumi Matsuno and Takeshi Iwaizumi and fight against the Elden that no one has ever defeated. In addition to the Main Story mode that lets you develop your character, you can freely combine weapons, armor, and magic that you equip. You can also customize your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. Play with your friends in one of three unique multiplayer modes, including several cooperative play elements. Delve into the vast dungeons to fight against huge monsters and anomalies.
