Download

### Ring Community Crack+ Free License Key [Win/Mac]

Ring Community is a small (about 100Mb) peer-to-peer application. It has a simple and intuitive graphic interface. You can chat, upload/download files, make voice calls and send messages to your contacts. Ring Community runs on the latest versions of Windows. Ring Community also operates as a client when you need to contact our client-server service. Ring Community can act as a server when you want to share your files or folders with others. Ring Community Features

- ◆ Chat: All users can chat, chat logs are supported.
- ◆ Multisource file sharing: You can share files with other users of your community. Ring Community enables you to see, modify, delete your shared files. The multiple sources system allow you to restrict access to certain file types, avoid a file type conflict or exchange information between your files.
- ◆ Contacts: This includes displaying a list of your contacts, showing your favorite, sorting your contacts and creating and editing contacts.
- ◆ Audio calls: Ring Community can make voice calls or synchronous voice calls, with or without a webcam.
- ◆ Video calls: Ring Community can make video calls or synchronous video calls, with or without a webcam.
- ◆ Messages: You can send messages, including large files, to your contacts or to the entire community. The contacts can see their messages
- ◆ Tools: You can add, edit and organize contacts, directories, categories, and save your preferences.
- ◆ Calendar: You can create, edit and organize calendars.
- ◆ Trademark: You can add, edit and organize trademarks.
- ◆ History: You can see your entries and edit them.
- ◆ Privacy: You can choose whether to allow other users to see your address or your last names.
- ◆ Wizard: You can choose whether to display a wizard when you create a new community or a new community.
- ◆ Wizard: You can choose whether to display a wizard when you modify the settings or create a new contact.
- ◆ Notes: You can create and edit notes.
- ◆ Settings: You can choose the directory where you keep your Ring Community data and the size of this directory, as well as the size of the local cache.
- ◆ Properties: You can choose where the Ring Community directory resides, the size of the files on the Ring Community server, the size of the local cache, the type of interface
