Recent Posts I am a: F.und myself : a quiet & non-sudden man who like to drink & listen music. I think it's good to have all kinds of friends. (: What else to say, I believe that a popular sound machine has a high quality & also save it's price. I am an internet customer, but my friends think that I am a good customer. Sound machine is affordable & while people can buy a popular sound machine at a low price, they think that a less popular sound machine can be fully equipped with high quality & low price. I want my friends to
